Dear Ms. Lloyd:

Thank you and the Education Funding Consultants Association for providing an excellent presentation on Financial Aid for our community. The presentation was informative and educational for the parents who are now in the process of pursuing financial needs for their son's/daughter's post-secondary education.

Joe Bromberg was an enthusiastic, energetic presenter, who captured the audience. The comprehensive information he provided was communicated very well.

Our department received great feedback from parents who attended, and was very grateful for the presentation. I appreciate your flexibility in the re-scheduling that needed to occur two times. I would like to set the date for next year's Financial Aid Night for Wednesday, December 5th at 7:00PM in the Little Theater.

Sincerely,

A handwritten signature in cursive script that reads "Shannon Burnosky".
